Started in 2002, **Big Bickies** is a social enterprise that operates a self funding, not for profit commercial kitchen producing a yummy selection of **Big Bickies** including Anzac, Chocolate Chip, Melting Moments, Rainbow Treat, Icebox, Macaroons and Amaretti biscuits.

We also have an equally yummy range of slices to tempt the strongest willed of us, Caramel, Anzac, Choc-peppermint, Fruit Muesli and Dad's Fudge.

The benefits of buying a Big Bickie product

Big Bickies is supervised by a qualified patisserie chef and is staffed by people with workplace support needs who are employed under award conditions. The Big Bickies kitchen offer s a safe and fully supported training environment where **CHOOSE Employment** job seekers learn about the workplace, build their confidence and prepare to enter the workforce. Thanks to **Big Bickies** and our training, many people with these support needs have made the successful transition into open employment.
